genuine

Our staff have impressive longevity and will quickly know you by name. Nurses, social workers and resident care assistants will work together to create a personalized plan just for you. You'll enjoy coming home to your well-designed private apartment in **Gidwitz Place for Assisted Living**, available with one or two bedrooms. Features include a kitchenette, bathroom with safety features and a walk-in shower, as well as a large walk-in closet, with ample storage. Large windows allow an abundance of light. Bring your favorite furnishings and décor for a personalized touch.

Socializing, challenging the brain, and finding purpose and joy in each day is vital for senior health and longevity. Choices abound at **Gidwitz Place for Assisted Living**. You can attend religious services. Make jewelry. Try ceramics. Attend a class. Join the group for a special outing. Sing. Do a little dancing. Here, it's easy to discover your hidden talents and create a supportive group of friends! **Helping each resident** achieve healthy aging is a priority at **Gidwitz Place**.

When a loved one is living with Alzheimer's Disease or other related dementias, they may feel set apart; unheard. That's why choosing **The Friend Center for Memory Care** can have such a positive impact. In our inviting setting, our extraordinary care team builds close bonds with residents, respecting values and preferences, while encouraging independence. More support is introduced if physical or cognitive challenges increase.

Our goal is to make each person feel comfortable and at home. The cozy, easy-to-navigate setting features soft lighting, soothing colors and a light, airy ambiance. Lovely common areas are the perfect space for socializing, exercise, music and greeting guests. Compassionate, caring staff are available to gently guide your loved one through their day. Our team assists with grooming, dining or other personal care, and even with just a quiet walk through the garden.

Spending time in a structured and supervised environment can make a world of difference for adults with dementia, Alzheimer's or Parkinson's Disease, and related conditions. **Adult Day Services** provides this experience for individuals who reside and are being cared for in their own homes. Benefits include socialization, reduced anxiety, and cognitive stimulation, as well as stronger connections with loved ones.

It's a true win-win: participants enjoy a day of life enrichment activities, socializing, personal care and nursing services, dining, and more—while family caregivers have a respite for appointments, shopping, work obligations, or other needs.
